

Daily Legislative Update

Monday, January 14, 2019

The Legislative Session rolls on today, as lawmakers from both sides of the Statehouse continue to sift through the laundry list of bills that were filed last week. Headlining each chamber's committee schedules today are their respective fiscal caucuses that construct each house's biennial budget. House Ways and Means will convene at 9:00AM and Senate Tax and Fiscal follows at 10:00AM. Both chambers will meet for session this afternoon at 1:30.

Governor Eric Holcomb will also be delivering his annual State of the State address this evening at 7PM ET. It will be Holcomb's third such speech as leader of the Hoosier State. For those familiar with joint house addresses, you know that they rarely provide juicy headlines or groundbreaking policy proposals, but Holcomb has advised that Hoosiers will not want to miss this year's SOS. "I've got a few cards up my sleeve that no one knows about yet," Holcomb told reporters when asked what his agenda was for Tuesday night. To find out what Holcomb has in store, follow along with the highlighted link below.
