

Daily Legislative Update

Tuesday, January 22, 2019

The Legislature will be returning to the Statehouse this morning following a short break from Indianapolis. Lawmakers dive right back in with a full bill of committees set to meet. The House will begin with Ways and Means at 9:00AM and the Senate Veteran Affairs Committee will meet at the same time. Both houses convene for session at the 1:30PM time slot.

Committee chairs are continuing to dwindle down their caucus' list of bills and deciding which ones will receive hearings, so stay up to date with committee calendars below. Often times, bills will have less than 24-48 hours' notice before a hearing, so it's vital to be checking schedules regularly. If we can answer any questions regarding committee schedules or where bills are in the legislative process, please let us know.
