

Daily Legislative Update

Monday, February 4, 2019

After yet another Super Bowl that many across the Hoosier state would like to forget, the legislative session rolls on. Today both houses will be holding committee meetings in the morning, with a full house session set for the afternoon. The Senate will begin with Elections and Agriculture at 10:00AM and the House with Judiciary at 10:30AM. Both chambers will convene for session at 1:30PM.

Stay in the loop with committee and floor schedules this week as a number of bills are set to clear second and third readings and make their way across the hall to begin the process over again. If there are any questions regarding bills from your most recent track lists, please let us know.
