

Daily Legislative Update

Monday, February 11, 2019

The General Assembly will return to the Statehouse this morning to begin week seven of the legislative session. As we've mentioned, with deadlines roughly two weeks out, the "pace of play" will ramp up so that bills can be amended and voted efficiently. This week you can expect another wave of bills to clear their final obstacles in the first house and head across the hall.

House Education Committee will kick things off today at 8:30AM followed by Senate Child Services and Natural Resources at 9 & 10AM respectively. Each chamber will meet for a full house session at their standard 1:30PM time.
