

Daily Legislative Update

Monday, March 18, 2019

A relatively light schedule awaits the General Assembly today, but expect the workload to pick up throughout the week with less than a month away from deadlines. This week will also be the first time that the highly anticipated SB552, the all encompassing gaming bill, will receive its first hearing in the second house. The hearing is scheduled for Wednesday, but stay tuned for the scheduled meeting time that will likely be posted by Chairman Smaltz this afternoon.

The House's Judiciary and Natural Resources committees will begin the day's activities at 10:30AM. Across the hall in the Senate, members of the Elections committee will meet at the same time. Both chambers will then convene for a 1:30PM session. Each meeting can be viewed by utilizing the webcast links provided.
