

## **Daily Legislative Update**

Monday, March 25, 2019

Legislators will return this morning to the Statehouse to begin week 13 of the legislative session. A week full of committee and session meetings lay ahead and members of the General Assembly will continue to push bills through 3rd reading. We are now two weeks out from committee report deadlines for both houses, so expect leadership to make the most of their time since most bodies will only have one more meeting this session.

There will be a relatively light committee schedule today, with Senate Family & Children Services and Agriculture meeting at 9AM and 10AM respectively. The lone House committee convening today will be Judiciary and they will meet at 10:30AM. Both the House and Senate will gather for a 1:30PM session.
