

Daily Legislative Update

Friday, March 29, 2019

Legislators will not meet for committee meetings or session today, but the work will continue behind the scenes before members adjourn for the weekend. As we've mentioned this week, deadlines are on the near horizon and with little time left on the clock, much of the debate will now shift to caucus rooms and closed door meetings. This is when coalitions within the Statehouse on both sides of the aisle will come together to help shape what will become each bill's final product. The General Assembly will return again on Monday to begin week 14 of the 2019 session. Stay tuned as we are quickly approaching the finish line!
