Governor Eric Holcomb will deliver his second State of the State address this evening at 7 pm. The address will take place in the chamber of the Indiana House of Representatives. Each year, Indiana's governor addresses both houses of the state legislature, the state's Supreme Court Justices', and other state leaders at the beginning of the legislative session. This provides an opportunity for the governor to report on the status of the state's affairs, highlight key accomplishments of the past year and outline key priorities for the year ahead.
